# TRUST TO INNOVATE

## CONFERENCE PROGRAMME

### DAY ONE: MONDAY 5 AUGUST 2024

VENUE: NATIONAL LIBRARY OF NEW ZEALAND TE PUNA MĀTAURANGA O AOTEAROA

8:45 am - 9:00 am	<b>Registration opens</b>
9:00 am - 11:30 am	<p><b>Workshop #1: What value does data governance bring to the public service, and how can you get it to stick?</b></p> <ul style="list-style-type: none"><li>• <b>Chris McDowall</b>, <i>Te Whatu Ora Health NZ</i></li><li>• <b>Doug Lambert</b>, <i>Independent Consultant</i></li><li>• <b>Rohan Light</b>, <i>Te Whatu Ora Health NZ</i></li><li>• <b>Erica Voss</b>, <i>FMG</i></li><li>• Facilitation support from Creative HQ</li></ul> <p><i>Have you ever tried talking to your colleagues or senior manager about data or information governance, but been met with shrugs of indifference? Then this workshop is for you! Come along to hear some examples about:</i></p> <ol style="list-style-type: none"><li>1. <i>People taking a tailored approach to governing data that worked well for their organisation – and which definition of data governance they found most helpful</i></li><li>2. <i>What worked well – and what the impact was</i></li><li>3. <i>What didn't work so well – and why that might have been the case</i></li></ol> <p><i>You will have the chance to suggest discussion topics, contribute to the conversation, ask your questions, and talk in smaller groups about what this could look like at your organisation. You will also get some resources to take home.</i></p> <p>A morning tea will be provided.</p>
11:30 am - 12:00 pm	<b>Additional networking time (optional)</b>
12:00 - 1:00 pm	<b>Break between sessions. Lunch not provided.</b>
1:00 pm - 3:30 pm	<p><b>Workshop #2: Supporting equity in data and data-driven technology</b></p> <ul style="list-style-type: none"><li>• <b>Emma MacDonald, Fiona Wharton and Florence Maron</b>, <i>Interim Centre of Data Ethics and Innovation, Stats NZ</i></li></ul> <p><b>Guest speakers:</b></p> <ul style="list-style-type: none"><li>• <b>Dessi Broughton</b>, <i>Oranga Tamariki</i></li><li>• <b>Alex Kerr</b>, <i>Inside Out</i></li><li>• <b>Annie Chiang</b>, <i>PhD student Auckland University</i></li><li>• <b>Michael Macaulay</b>, <i>Victoria University of Wellington</i></li><li>• <b>Jonathan Godfrey</b>, <i>Massey University</i></li></ul> <p><i>How do we amplify the voices of more vulnerable subpopulations so everyone benefits from data-driven technology?</i></p> <p><i>Some communities don't always get the benefits of data technologies. We know diverse voices can enrich collective outcomes. How do we ensure the voices of more vulnerable communities are heard across government? How do we increase trust among those groups?</i></p> <p><i>Come along to this creative and hands-on workshop to learn how to answer these questions for your agency!</i></p> <p>An afternoon tea will be provided.</p>
3:30 pm - 4:00 pm	<b>Additional networking time (optional)</b>
